

# Cedar River Watershed Education

## Winter School Program

A Second & Third Grade Field Trip Opportunity

### REGISTRATION

All education programs are free. This program will be offered between mid-January thru February 2010.

*Class space is limited so call for availability and registration details.*

### WINTER WATER IS MAGIC

Take a Naturalist-led journey to the Cedar River Watershed Education Center.

Explore the connections between weather, water cycles, and people at the Watershed Education Center. Naturalist-led activities will include exploring the awarding-winning Water is Magic exhibits, hands on lab activities and outside team discoveries of the Centers' many creative water features.

Seasons Offered	Adult to Child Ratio	Group Size	Transportation	Grade Level	Program Length
winter	1 to 5	1-2 classes	any option	2nd & 3rd	2.5 hours
